

Orlando, Fl.

Millican signed autographs for fans at the PRI Show Dec 11, 12 and 1, 2008.

Clay Millican spent the week at the PRI Show in Orlando. It was a great show with lots of vendors that support MPE Motorsports. Clay spent time signing autographs at the Motorvation display a company owned by Mark Pickens. Motorvation unveiled a new electronic fuel injection throttle body that had lots of interest from the racers and the street rodders in attendance. "I had a great time signing autographs at the Mortorvation display," Millican said.

Millican also spent time doing a few Television spots for Inside Drag Racing as well as some promo spots for Weld Racing. "I love visiting with everyone that attends the show and supports the racing industry," Millican said.
